

Build Your Assessment Tool Kit

Are you starting to think about an Environment Rating Scale assessment and have questions about NC's process or requirements? Or would you like to stay up to date with the most current assessment news, details, and materials? Visit our website ncrlap.org to find a variety of helpful information, including resources and trainings, that are offered by the North Carolina Rated License Assessment Project. This document highlights areas of the website that can be helpful when you have questions or want to learn more. These resources are available to everyone, and you do not have to log in or have an ID.
