

REFLECTION FORM

SELF-STUDY PROCESS (STEP 2)

Purpose: This form is designed to guide your reflection during the self-study process. Use it to consider what is working well in your program, what areas you would like to grow in, and how you plan to move forward. This is an opportunity to connect your experiences to meaningful goals.

Instructions: Before completing this form, please gather information collected from either the **Self Assessment: Using An Outreach Assessment Report** or **Thinking More** worksheet. Spend a few minutes reviewing these documents to guide your responses.

Summarize key points from completing the Outreach Assessment form or Thinking More worksheet.

1.

2.

3.

Based on your reflection, identify one or two specific practices or areas you would like to focus on strengthening?

How will this (these) benefit your program?

Provider Name: _____ Date: _____

Now that you've identified a specific practice or area you'd like to focus on, it's time to start planning. Look for the "Planning Form" document as the next step.
